International-Quality Refined Sugar

Vertex Export maintains strategic partnerships with 38 certified mills, allowing us to supply high-quality sugar to industries, supermarkets, and distributors worldwide.

Among the available options, Refined White **Sugar ICUMSA 45** stands out as the most consumed type of sugar globally. Known for its purity, bright white color, and low conductivity, ICUMSA 45 is widely used across Europe, North America, the Middle East, and Asia, representing the global standard for refined sugar exports.

Thanks to our efficient logistics model and direct connection with producers, we ensure consistent deliveries and reliable supply in demanding markets.

Tropical & Conventional Fruits

- Banana (Cavendish • Prata • Apple Banana • Nanica) • Papaya (Formosa)
- Pineapple (MD2) • Passion Fruit • Melon (Yellow • Galia • Cantaloupe)
- Watermelon • Coconut (Green • Dry) • Tangerine (Ponkan • Murcott) • Orange (Pera • Valencia) • Acerola • Jabuticaba • Cashew (Fruit • Nut) • Persimmon (Fuyu • Rama Forte)

Note: For these and other fruits, please contact us to check availability and harvest seasons.

Where quality meets sustainability,
products as unique as your business.
